# Chautauqua Lake Ride

*These directions take you clockwise around the lake, and start in the village park in Mayville. Or, start your ride anywhere along the route! To avoid busier summertime traffic on 394, try starting early morning from the Ellery town park between Bemus and Jamestown, or Celoron's Lucille Ball Memorial Park, both on the route. Shorter option: cross Chautauqua Lake via the Historic Bemus Point – Stow Ferry – just check ahead to be sure the Ferry is operating. Please note: it is illegal (and dangerous!) to cycle across the Chautauqua Lake Bridge (Interstate 86). Note that mileage is approximate.*
