**Roger Tory Peterson Institute**

Explore Roger Tory Peterson Institute's 30-acres of woodland preserve. These are the very same woods that once inspired a young Peterson to fall in love with the natural world. Take a tour of the 23,000 sq. foot architectural gem erected to preserve and display the most comprehensive collection of Peterson's artwork, photographs, films, manuscripts and related archival material. The Institute also regularly exhibits the work of other famed artists.
